Jigraphy

Jigraphy – A World of Choices

Whether you're a fan of Great British jigsaws or curious about faraway places, the UK and International Jigsaws collection has something to suit every puzzler.

Travel across the UK, Europe, and the world without leaving the house – one puzzle piece at a time!

Learn Geography Through This Fantastic Football Puzzle!

This fantastic new puzzle is a must-have for every football fan. It starts as a giant 300-piece jigsaw map of the UK and Ireland and then becomes a footballing challenge.

148 numbered footballs appear on the finished map, each one representing the actual location of the stadium of a different team. All you have to do is work out which ball represents which team. There are clues to help you. The footballs are shown in each team's correct colours and the balls are colour-coded by league. To help younger puzzlers, the major towns and cities of the UK have also been labelled on the map. Finished puzzle size approx. 66cm x 50cm.

Not only is this a brilliant challenge, it will also help everyone learn the geography of the UK and Ireland.

The puzzle is up to date for the start of the 2026/27 season and features:

- All 92 clubs in England's Premier League and Football League.
- Scottish Premiership and Championship.
- The top divisions in Wales, Northern Ireland and the Republic of Ireland.

Head-To-Head Codebreaking Challenges...
With An Ingenious Twist!

Decypher is a battle of logical deduction as you race to crack your opponent's code, before they crack your own! Displaying the numbers from 0 to 9 in a digital format uses just seven different vertical and horizontal lines. Discovering which lines appear where in each coded sequence will allow you to narrow down the code's possibilities.

Achieving this more efficiently than your opponent will win you the game! With multiple games and almost endless possible codes, Decypher's challenges will keep you on the edge of your seat... and could define you as a master codebreaker!

Fill The Grid By Adding, Subtracting Or
Combining The Contents Of The Square
Holes To Equal The Contents Of The Circular
Hole!

Each coloured shape has two different pieces, one containing square holes and one containing a circular hole. The 72 multi-level challenges require you to fill the whole grid, so that for each colour, combining the two numbers or symbols that appear in the square holes will equal what appears in the circular hole of the same colour, all at the same time. Sometimes, that will involve addition, sometimes subtraction, even colour mixing and sometimes some creative thinking!

RRP **£19.99***

There are 12 sections of train tracks and your aim is to construct each of the railways correctly. However, as you progress through the 40 multi-level puzzles, you will need to solve maths problems and use logical deduction in order to build your track. The best bit? Once you have completed the puzzles, the wind-up Tube train will go speeding around your solution. By combining maths puzzles with a delightful London Underground train set, it encourages learning through fun, in the most amazing way!

Underground Genius

Player: 1 or 2 Ages: 6 to adult 19 x 19 x 4cm
SKU: HPCUGG 716053039675

Trade **£11.45***
RRP **£24.99***

Based on multi-award winning game The Genius Square, the Underground Genius game boards have been based on the Transport for London (TfL) logo. The puzzle pieces have been coloured to match the official colours of the London Underground Tube lines and other TfL services. The 'blockers' are based on the interchanges that appear on the London Underground Tube map.

Underground Gridzy

Player: 2 - 6 Ages: 7 to adult 14 x 14 x 3cm
SKU: HPCUDG 716053039699

Trade **£4.60***
RRP **£9.99***

A really fun, original card game in which players start with four square cards that contain a total of 16 icons. Race your opponent(s) to position your 16 icon images, so that only nine of them are visible in a 3x3 grid, perfectly matching the nine icons that appear on the challenge card. Score extra points for finishing first and for keeping your icons connected. Underground Gridzy includes 60 regular challenges and ten 'expert' challenges.
